RARE PHOTO EXHIBITION

From the MLK holiday through January 31, the George Washington Carver Museum and Cultural Center will present "Countdown to Eternity: Photographs of Dr. Martin Luther King Jr.," by Benedict J. Fernandez. These powerful images capture the tumultuous final year of MLK's life. Also on exhibit are images from "Passage on the Underground Railroad," by Stephen Marc, whose work captures resistance to slavery which presaged the modern civil rights movement. These works are on loan from Northlight Gallery at Grant Street Studios, part of the ASU Herberger Institute's School of Art
